# Simplex Duct Plug

## Product Advantages

- A fiber optic simplex duct plug is used to seal the space between the duct and the cable in a duct.
- The plug is divisible so it can be installed after blowing a cable in the duct.

## Ordering Information

NO.	Duct OD(mm)	Cable Range(mm)F
FSP-32-0914	32	9-14.5
FSP-40-0914	40	9-14.5
